- (b) has been properly signed;
- (c) Is substantially responsive to the requirements of the Request for Quotations Documents.

A substantially responsive Quotation is one which conforms to all the terms, conditions, and specifications of the Request for Quotations Documents.

To evaluate a Quotation, the Purchaser shall only use all the factors, methodologies and criteria defined hereinafter, no other criteria or methodology shall be permitted:

- (a) evaluation will be done for Items or Lots;
- (b) price adjustment for correction of arithmetic errors;
- (c) price adjustment due to discounts offered;
